

Wi-Fi@NIE for Android Device

Wi-Fi@NIE settings for Android.

1. Enable Wi-Fi setting on your mobile device.
2. Select **Wi-Fi@NIE** from the detected list of Wi-Fi networks.
3. Click **I ACCEPT** when the Wi-Fi@NIE Sign-in page appears.

4. Once successfully connected to **Wi-Fi@NIE**, you can start using the wireless network with your mobile device.
